Light, compact and easily manageable with superb sound and serious power handling capacity.

- High-power woofers, dynamic compression drivers, and constant directivity horns deliver performance that goes well beyond other speakers in this class.
- A variety of cabinets for applications ranging from solo street entertainers to bands in concert halls.
- Robust carpet finish, durable metal grill, and steel carry handles.
- Speakon™ connector ensures easy integration with many existing setups.
- Pole mountable.
- Ideally matched to Yamaha powered mixers and power amplifiers.

** The AX series speakers are only available in Europe.*
